

ROHS 2 Compliance Statement

EU REACH 1907/2006 – most recent REACH list: The Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Regulation requires the identification of Substances of Very High Concern (SVHC) contained in articles above the threshold 0.1% w/w manufactured and marketed the EU (Legal Reference EC 1907/2006).

This directive covers hazardous materials, heavy metals and flame retardants. This became effective July 21, 2011. The items and materials sold by East Coast Microwave are in compliance with this directive. We manufacturer our cable assemblies with lead-free solder unless otherwise requested.

We work with our manufacturers to ensure flow up and down of this directive in all components.

REACH Compliance Statement

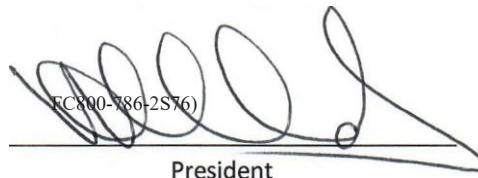

The European Union passed the Registration, Evaluation, Authorization and restriction of Chemicals (REACH) regulation in (Legal reference EC 1907/2006). This regulation governs the production, use and importation of chemical substances. We do not use any Substances of Very High Concern (SVHC) in our manufacturing processes as identified in Legal reference EC 1907/2006).

We require on our Purchase Orders to our vendors that we be notified if any SHVC content is present and as of yet no SHVC's have been identified. We are not registered as we sell articles.

Conflict Minerals

East Coast Microwave (ECM) does not purchase minerals from Conflict areas and we require our suppliers to notify us if their content includes minerals from conflict areas. To date, no such materials have been identified in any of the Interconnect products (Connectors, Adaptors, etc.) distributed or Cable Assemblies manufactured by ECM. None contain any Substances of Very High Concern (SVHC) in a concentration above 0.1%. Additionally, none of the packaging used to ship these items contain any SVHC in a concentration above 0.1%.

ECM is committed to meeting customer requirements and expectations, governmental regulations including compliance with all applicable laws, directives. As the REACH regulations continue to evolve ECM will monitor and take appropriate steps to comply as required.
