

## RoHS 2 Compliance Statement

*Reduction of Hazardous Substances (RoHS) per EU Directive 2015/2015/EU, effective June 8, 2011 -RoHS 2 replaced RoHS on 1/3/2013*

This directive covers hazardous materials, heavy metals and flame retardants. This became effective July 22, 2019. The items and materials sold by East Coast Microwave are in compliance with this directive. We manufacturer our cable assemblies with lead-free solder unless otherwise requested.

We work with our manufacturers to ensure flow up and down of this directive in all components.

*We require on our Purchase Orders to our vendors that we be notified if any SHVC content is present and as of yet no SHVC's have been identified. We are not registered as we sell articles.*

## Conflict Minerals

East Coast Microwave (ECM) does not purchase minerals from Conflict areas and we require our suppliers to notify us if their content includes minerals from conflict areas. To date, no such materials have been identified in any of the Interconnect products (Connectors, Adaptors, etc.) distributed or Cable Assemblies manufactured by ECM. None contain any Substances of Very High Concern (SVHC) in a concentration above 0.1%. Additionally, none of the packaging used to ship these items contain any SVHC in a concentration above 0.1%.

As the REACH regulations continue to evolve ECM will monitor and

ECM is committed to meeting customer requirements and expectations, governmental regulations including compliance with all applicable laws, directives. President  
take appropriate steps to comply as required.
