Millimeter-Wave & Full Band Systems
DEMAND ACTIVCIRK ATTENUATORS

For unsurpassed performance in MM-Wave, Instrumentation and Full Band Systems, **activCirk is the clear solution!**

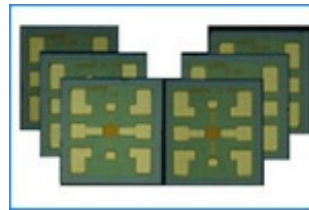

Are your attenuators meeting your signal control and impedance matching needs? At East Coast Microwave Sales & Distribution LLC we are the exclusive distributor for activCirk MMIC attenuators. activCirk attenuators guarantee best in class performance with the widest bandwidths in the world, highest power dissipation and lowest cost when compared to other major manufacturers.

	ADI/Hittite	Qorvo (TriQuint)	activCirk
Description	Part No. Price each (1K)	Part No. Price each (100)	Part No. Price each (100)
0db Attenuator	HMC650/HMC651 \$4.39	TGL4201-00 \$2.95	AT125-00 \$2.35
1db Attenuator			AT125-01 \$2.35
2db Attenuator	HMC652 \$5.77	TGL4201-02 \$2.95	AT125-02 \$2.35

3db Attenuator	HMC653 \$5.86	TGL4201-03 \$2.95	AT125-03 \$2.35
6db Attenuator		TGL4201-06 \$2.95	AT125-06 \$2.35
10db Attenuator	HMC656 \$5.93	TGL4201-10 \$2.95	AT125-10 \$2.35
Design Kits	HMC-DK006		AT125-DK \$2.35

Features & Benefits

- Widest band response (>125 GHz)
- 6 different values including 1dB
- Handles higher power levels
- Small form factor
- Low gain (loss) slope
- Ideal for mm-Wave, Instrumentation and Full Band Systems

Attenuators
